## WHAT'S BEEN HAPPENING AT MVPS THIS FORTNIGHT?

### PRINCIPAL'S UPDATE

There is still one more week left in Term 3, but this will be our last newsletter until next term. Term 3 has been jammed packed with exciting whole school events and of course engaging learning. Last week was an extra special week at MVPS, as we held our very first Art Show. It was a fantastic showcase of the artistic talents of our students.

The STEM Studio was adorned with an array of colourful and imaginative artworks, each piece reflecting the creativity and hard work of our young artists. Thank you to Ms M our super star art teacher, for putting everything together and for all of her hard work and to everyone who came along to support our students and celebrate their creativity!

#### 70th Birthday Celebrations: A Milestone Event

Another highlight of our recent events was the 70th Birthday Celebration of Malvern Valley Primary. This milestone event brought together past students, staff, and current families for a morning of nostalgia and joy. It was heartwarming to see former students reconnecting and sharing their fond memories of their time at Malvern Valley. We were honoured to have so many members of our extended school family join us for this special occasion, and we deeply appreciate the contributions and stories shared by all. Your presence helped make the 70th birthday a truly memorable event.

#### Athletics Day

Last Friday, September 6th, 40 of our talented MVPS students competed in the Caufield District Athletics Day. Our students showcased fantastic performances against local schools, displaying not only their athletic skills but also embodying the MVPS school values of Confidence, Respect, Cooperation, and Resilience.

A special mention goes to Teya, who will be competing in Division Shot Put, Jess in Division Long Jump, Emily in Division Hurdles, and Lailah in Division Triple Jump. These students will proudly represent our school early next term.

We are incredibly proud of all our students for their sportsmanship and dedication. Good luck to our athletes in the upcoming competitions, and thank you to everyone who supported and cheered them on!

## Looking Ahead

As we head into the final week of Term 3, we want to express our gratitude for your continued support and involvement. These events have been a wonderful reminder of the strong sense of community that makes Malvern Valley Primary so special. We look forward to wrapping up the term on a high note and are excited about what lies ahead in Term 4.

A reminder to families that students will be finishing at **2:30pm on Friday 20th September** and our **Assembly will start at 1:45-2:15pm.**

Wishing you all a fantastic end to the term and a restful break!

## SUNSMART School Hats

It is hard to believe that we are talking about sunnier weather arriving soon. However, we want to take this opportunity to remind you that all **students must wear their school hats in Term 4.**

A limited number of school hats are available to purchase from the school office for \$16 or you can order a hat online from [Spartan](#).

Please remember to **name ALL school hats with a permanent marker** as we find many unnamed hats in our school and have difficulty returning them to their owners.

Students need to wear their hats during outdoor PE lessons, recess and lunch times and when on outdoor excursions.

## Is your family leaving MVPS at the end of the year?

We are beginning to develop our WorkForce Plan for 2025. If you are leaving MVPS at the end of the year can you please let the office know so that we can assist your child with transition processes and to plan our classes for 2025.

## Assembly

We look forward to seeing you all at our next Assembly on Friday 20th September at a different start time of 1:45pm. Prep D and our Choir will be on stage to present an item to the MVPS community.

## TAG ON

We love our Tag On Kiosk at MVPS.

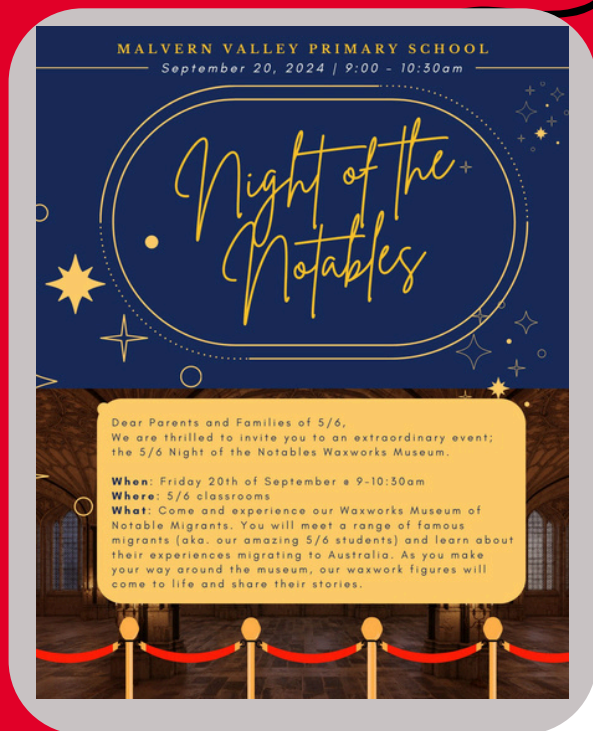

Stonnington Council and MVPS have partnered together to offer some prizes and certificates for our top taggers this term.

Tagging On is so easy for our students and provides our families with an email notification to say their children have arrived at school. Students who tag on can collect house points and active travel points.

If you need a tag on, please visit the office. It's a very easy process!

Here is the [website](#) if you'd like some more information.

Let's get tagging!
